I do hereby certify that all information on this form is correct and that the Lake Area USSSA Baseball League (LABL) and its paid and volunteer workers will not be held responsible for any injury while participating in the program at any facilities scheduled for use during transportation to said facilities. I further understand LABL does not provide health insurance coverage for accidents or injuries that occur as a result or participation in or use of its facilities. This release is valid for all LABL sponsored programs until revoked in writing. I further understand that I have applied for what is considered an at will volunteer position and LABL reserves the right to terminate duties without cause. LABL provides each team with basic equipment that coaches are required to return within one week of the end of the season. LABL does not provide any financial assistance to individual teams and/or coaches. Coaches are responsible for abiding by and enforcing all rules and regulations in the sport and LABL. I also understand that there may be a "back ground" check done on me by a local law enforcement agency(s).
